

**Request for Qualifications
Erwin Utilities Authority
Materials for Emergency Sewer Bypass**

Tuesday, October 15, 2024

Erwin Utilities Authority is requesting quotes from qualified suppliers for the materials needed to install an emergency temporary sewer bypass due to the extensive damage the wastewater infrastructure experienced from the flooding caused by Hurricane Helene.

Materials needed:

Qty. to order	Unit	Description
		Pipe
6200	FT	6" HDPE SDR11 SEWER PIPING
20	EA	6" HDPE 22.5 DEGREE FITTINGS
15	EA	6" HDPE 45 DEGREE FITTINGS
10	EA	6" HDPE 90 DEGREE FITTINGS

At a minimum, all proposals should include the following information for each item:

- Lead Time
- Unit Cost
- Total Cost

Interested suppliers should submit quotes by email to:

Noe'l Bailey
Executive Assistant, Erwin Utilities Authority
244 Love Street, Erwin, TN 37650
nbailey@e-u.cc
423-743-1822

The deadline for submission is 4:00 p.m. on Wednesday, October 16, 2024.
